Updated Edition of the Automobile Statistical Plan and Edit Rules Documentation

The General Insurance Statistical Agency (GISA) is pleased to advise that an updated version of the Automobile Statistical Plan and Edit Rules Documentation, Version 2.4, is now available on the secure website of GISA's service provider, at <https://infosource.ibc.ca>, under Publications > Manuals > Stat Plan and Edit Rules > Automobile Statistical Data Reporting Requirements, and on the GISA service provider's public website at http://www.ibc.ca/en/DQ_Management/.

A summary of the relevant changes can be found in the "Revision History" section of each manual, and is bookmarked for your reference.

The French versions of the ASP and ERD manuals are also available on the same website.

If you have any questions related to the new version of the Automobile Statistical Plan and Edit Rules Documentation, please contact your organization's Data Quality Analyst at 416-445-5912 or 1-800-761-6703.
