**Changes to the Automobile Statistical Plan and Edit Rules Documentation,
Resulting from Prince Edward Island (PEI) 2015 Automobile Insurance Reform Initiative**

The General Insurance Statistical Agency (GISA) is implementing the amendments to the Automobile Statistical Plan (ASP) as a result of the PEI 2015 Automobile Insurance reform. As referenced in GISA Bulletin 2015-03, GISA is pleased to advise that an updated **Automobile Statistical Plan (ASP) and Edit Rules Documentation (ERD) Version 3.1** is now available.

They are available on the secure website of GISA's service provider, Insurance Bureau of Canada (IBC), at <https://infosource.ibc.ca>, under Publications > Manuals > Stat Plan and Edit Rules > Automobile Statistical Data Reporting Requirements, and on the public website at <http://www.ibc.ca/on/resources/industry-resources/data-management/stat-plans>.

A summary of the relevant changes can be found in the "Revision History" sections of the documents, with bookmarks for reference.

The French versions of the ASP and ERD manuals will be distributed shortly.

If you have any questions related to the new version of the Automobile Statistical Plan and Edit Rules Documentation, please contact your organization's Data Quality Analyst at 416-445-5912 or 1-800-761-6703.
