General Insurance Statistical Agency (GISA) is releasing the 2018 Financial Information Industry Profit and Loss Report for Private Passenger Automobile (PPA) for Ontario and Countrywide to complete those initially distributed for the other jurisdictions under GISA bulletin 2019-03 in June.

GISA has collected automobile insurance financial information from insurers in addition to the ongoing data collection under the Automobile Statistical Plan (ASP). The required 2018 financial information was submitted by automobile insurers earlier this year to GISA's statistical service provider, Insurance Bureau of Canada (IBC).

GISA is releasing the industry-level jurisdictional PPA Financial Information Report for industry use. Registered industry users and representatives from participating reporting companies can access the electronic versions of the Industry Profit and Loss Report, publication AUTO9501, through the [GISA portal](#). Non-registered users can order the exhibit via the GISA website <http://www.gisa.ca>.
