

1

Create an emergency preparedness plan

2

Assemble a disaster safety kit for your home, car and office

3

Be sure to have at least 2–4 litres of water per person a day for up to 72 hours

4

Know your home's exits and nearby safe meeting locations

5

Talk to your neighbours – plan ahead to share your responsibilities

6

Have detailed current contact lists for work and school

7

Prepare a detailed home inventory

8

If away for a while, have someone check your property

9

Put all important documents in a safe and accessible place

10

Talk to your insurance representative about coverage
