

1 Never race a train to the crossing.

2 Be aware that trains are often closer and faster moving than you think.

3 Know that trains cannot stop quickly.

4 Don't walk or move between parked trains. They can move at any time.

5 Keep in mind that trains are very heavy.

6 Never drive around lowered gates. They are down for a reason.

7 Don't make a last minute decision to cross and get trapped on the tracks.

8 If you stall on a track with a train coming, abandon your car.

9 Go to a designated crossing when you need to cross tracks.

10 Always expect a train.
