

1

It's easy

Just a phone call away.

2

It's affordable

Costs less than daily runs to the cafe.

3

It protects your stuff
From furniture to expensive laptops, insurance will protect it.

4

...And you own more stuff than you think
You don't realize how much you actually have.

5

It covers additional expenses after a loss
Insurance will cover these necessary expenses.

6

It protects you if you damage someone else's property
Insurance would be there to help cover the costs associated with this.

TOP 10

**Reasons
to have
tenants
insurance**

7

It protects you if you cause someone harm

Accidents can happen and insurance can help.

8

It protects you in the event of a lawsuit

Covers defense fees and payouts.

9

You can't afford not to have it

It would be financially straining to replace and cover all the costs.

10

It would make your parents proud

Take a responsible step as you leave home.
